JEISON LEONARDO AMOROCHO MORALES

Mathematician | ICTP Postgraduate Diploma Student

ABOUT ME

Outside mathematics, I enjoy reading, travelling, discovering new cultures, and learning. I also enjoy staying active and taking care of my physical well-being through gym training and running. I value curiosity, discipline, and a healthy balance between academic work and personal life. I also enjoy meeting people from different backgrounds, exchanging ideas, and exploring new experiences.

RESEARCH PROFILE

Mathematician with an M.Sc. in Mathematics from Universidad Industrial de Santander (UIS), Colombia, and currently enrolled in the ICTP Postgraduate Diploma Programme in Mathematics in Trieste, Italy. My research background is in topology, and descriptive set theory, with particular emphasis on representations of compact, second-countable T_1 spaces, ideals, and Choquet properties. I am also interested in analysis and differential geometry, and intend to pursue doctoral research in mathematics.

ACADEMIC DISTINCTIONS

- **Cum Laude** graduate in Mathematics, Universidad Industrial de Santander.
- Selected for the **ICTP Postgraduate Diploma Programme in Mathematics**, 2026–2027, Trieste, Italy.

RESEARCH EXPERIENCE

2024–2026 — **M.Sc. Research**
Universidad Industrial de Santander (UIS), Colombia
Thesis: *Representaciones de Espacios CTS*. Advisor: Prof. Carlos Enrique Uzcátegui Aylwin.

CONFERENCE PRESENTATIONS

June 2026 — **On CTS Spaces and the Strong Choquet Property**
XXI Latin American Symposium on Mathematical Logic (SLALM)
Universidad de los Andes, Bogotá, Colombia.

May 2026 — **Espacios CTS, ideales y la propiedad fuerte de Choquet**
Logicón 2026
Universidad Nacional Autónoma de México (UNAM), Mexico City.

2025 — **Sobre Representaciones de espacios CTS**
XXIV Colombian Congress of Mathematics
Universidad Tecnológica de Pereira, Colombia.

2025 — **Sobre Representaciones de espacios CTS**
Mexican Workshop on Topology
Universidad Nacional Autónoma de México (UNAM), Mexico.

2025 — **Espacios CTS y la propiedad fuerte de Choque**
XIII Simposio Nororiental de Matemáticas
Universidad Industrial de Santander, Bucaramanga, Colombia.

TEACHING EXPERIENCE

2025–2026
Linear Algebra Instructor
Universidad Industrial de Santander (UIS), Colombia
Undergraduate teaching, course preparation, assessment, and problem-solving sessions.

July–August 2024
Instructor, Mathematical Analysis II
Universidad Industrial de Santander (UIS), Colombia
Intersemester course covering differentiation, functions of bounded variation, Riemann–Stieltjes integration, and sequences and series of functions.

2022–2024
Academic Tutor
Universidad Industrial de Santander (UIS), Colombia
Academic tutoring in Differential Calculus, Integral Calculus, and Foundations of Mathematics.

EDUCATION

Sep. 2026–Aug. 2027
Postgraduate Diploma Programme in Mathematics
The Abdus Salam International Centre for Theoretical Physics (ICTP), Trieste, Italy
Advanced postgraduate training in mathematics.

2024–2026
M.Sc. in Mathematics
Universidad Industrial de Santander (UIS), Bucaramanga, Colombia
Thesis: *Representaciones de Espacios CTS*. Advisor: Prof. Carlos Enrique Uzcátegui Aylwin.

2020–2024
B.Sc. in Mathematics
Universidad Industrial de Santander (UIS), Bucaramanga, Colombia
Undergraduate thesis: *Extensions of Compact T_1 Topological Spaces*. Advisor: Prof. Carlos Enrique Uzcátegui Aylwin. Graduated *Cum Laude*; GPA: 4.66/5.00.

RESEARCH SCHOOLS AND ACADEMIC TRAINING

2025
Research School in Geometry
Universidad Nacional Autónoma de México (UNAM)
Cuernavaca, Mexico.

RESEARCH INTERESTS

Topology; Descriptive Set Theory; Analysis; Differential Geometry and AI.

LANGUAGES

Spanish: Native.
English: TOEFL iBT B2.
